/02

/Experience Network

## / Guest Lectures

Guest speakers come from a range of backgrounds and experiences offer inspiring food for thought directly from the real world.

---

## / Dialogues

Panel discussions aiming to open up conversations around issues that affect us and our futures as creative practitioner.

---

Lemonade Sorbet /// Screen Acting First-Years Write, Direct & Star in Online Show

## / Student Events

Request the tools you need to organise your own screenings or showcase. Collaborate with other classes & courses.

---

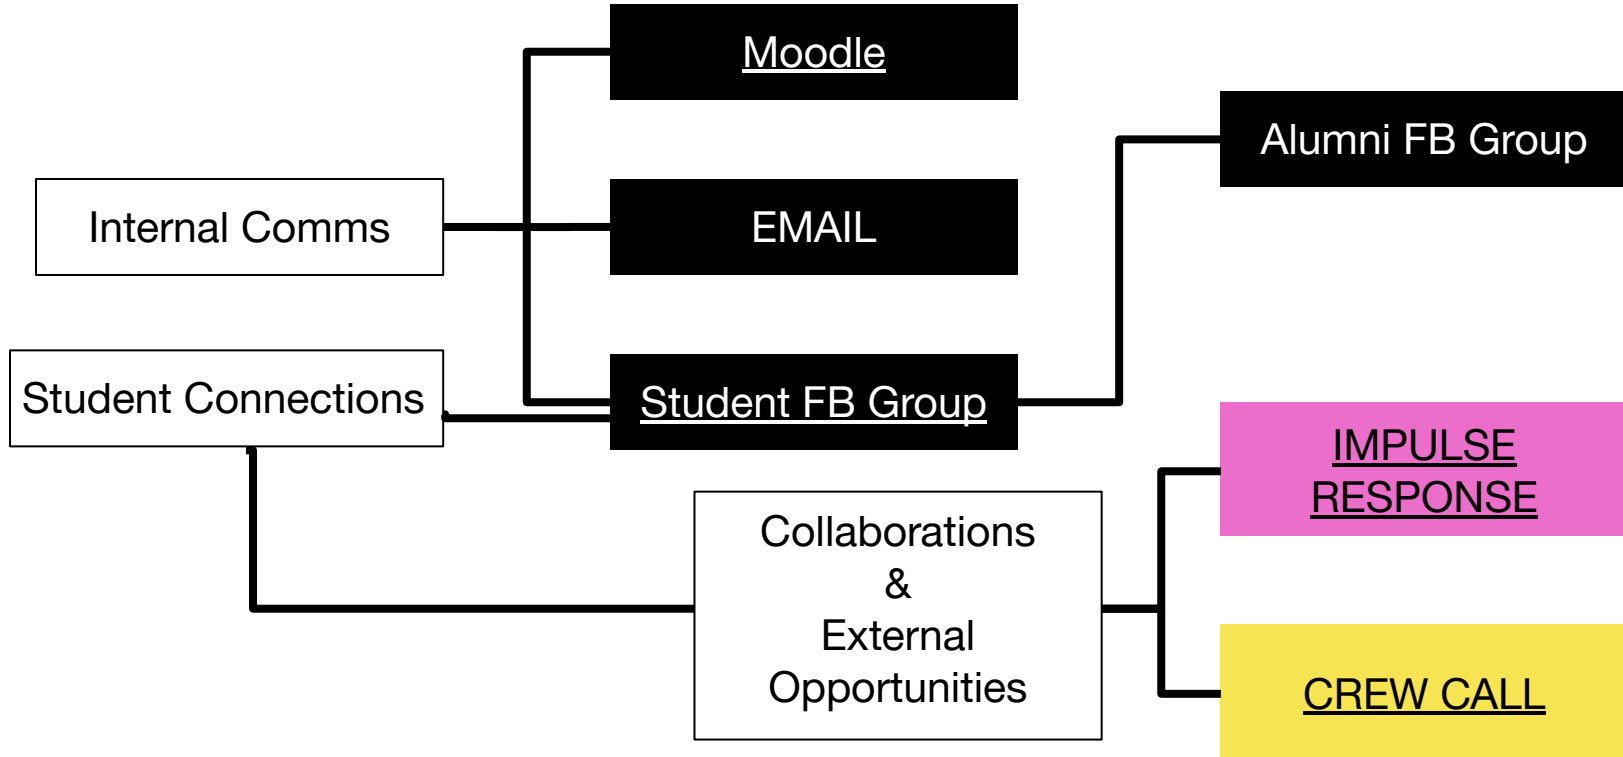

## / Opportunities

Opportunities to **volunteer** and also **work** are communicated throughout the year. Please make sure you're in all FB groups!

---

# /Signals Festival

[www.signals-festival.com](http://www.signals-festival.com)

15-16 Oct

Exploring art and technology, Signals Festival is an annual showcase of Catalyst Berlin's creative, diverse communities.

A non-profit, educational event featuring emerging and established creators for live performances, installations, screenings, workshops and dialogues on future perspectives of the film & music industries.

# / Projects & Collabs
